To Whom It May Concern,

Re: Reference for Fuller Landscaping Inc.

Fuller Landscaping Inc. has been the successful bidder for landscape construction contracts under my supervision in both the City of Abbotsford and the City of Port Coquitlam for seven years. These projects have been up to \$100,000 in value and have included landscape planting, site preparation for playgrounds, concrete work, retaining wall construction, site re-grading, and site furnishing installation and building landscape renovation.

Mr. Sean Fuller is a contentious contractor who takes pride in his work. He has delivered projects on time and on budget in a consistent manner. His work has been completed to industry standards in a professional manner and deficiencies have been addressed without question.

The City of Port Coquitlam will continue to keep Fuller Landscaping Inc. on its preferred contractor list. I am pleased to recommend Mr. Fuller's company for municipal landscape projects, as outlined in this letter.

If you would like additional information about Fuller Landscape Inc., please do not hesitate to contact me at 604-927-7920 or myersr@portcoquitlam.ca.

Yours truly,

Ron Myers, RLA, BCSLA
Manager of Parks Planning & Design
