Ladder Options

A-FRAME

The roll-guard A-frame safety ladder is included in Ultimate Pool Kits. This ladder meets ANSI/APSP Barrier requirements.

Deck Ladder

For Inground installation, a deck ladder is included.

Stair Option

Walk-In® Stair makes an easy and beautiful way to enter and exit your pool. It's available as an 8' Radius (5 Tread). It's made from tough, durable material that withstands earth-movement and severe climate changes. We also offer the cantilever stair to allow for a more custom look for your customer.

Optional Snap-In Cover

Snap-In Covers features a reinforced 18mil vinyl side wall with a 12mil body. The entire cover remains inside the pool, giving it a neater appearance in the off season. This cover carries a standard 3 year limited warranty.

Optional Lighting

GloBrite™ LED Lights

The brightest and most energy-efficient LED poolscapes lighting available. These lights make night time swimming safe and fun! Choose from 5 colors and 7 pre-programmed light shows.

Filtration

Optional pool equipment is available in Sand, D.E., or Cartridge. Ask your pool professional for details.

Fitness Pool

The Ultimate Pool, equipped with the Badu Stream II, provides an opportunity for aquatic and aerobic exercise right in your own backyard. This dual jet system has an adjustable current allowing you to control the intensity of your workout. You can enjoy the fun and relaxation of a pool with a workout center all in one. The Ultimate Fitness Pool™ is engineered in two sizes: a 9' x 16' and a 9' x 20' "stretch" version including walk-in steps.

Advantages of the Ultimate Fitness Pool™:

- The Badu Stream current provides a superior swimming experience to the typical "full size" backyard pool.
- The space-saving design means less maintenance and a lower operating cost.
- The small footprint makes it easy to cover and heat, if desired, both in the summer and in winter months.
- Perfect for year-round use even in colder climates, the Ultimate Fitness Pool™ can be an affordable option to enclose in a "Florida room" for convenient use 365 days a year.

Exercise & swim with the **BaduStream II**

Built in Badu Swim Jets

The swim jets for the Badu Stream II are built into the wall of the Ultimate pool panel. The built-in design, utilizing 4" plumbing, is engineered for performance while reserving the maximum water area for swimming, exercise, fun and recreation! The high-volume special application pump provides a powerful current of up to 5,700 GPM with an adjustable width and depth for a vigorous intermediate exercise.

Consult your physician before attempting any strenuous exercise.

This product may not be challenging for all levels of exercise.

Dual Jet System

Two recessed jets create a customizable current that is great for both swimming and exercise.

The current is perfect for the recreational
